An evening to explore where we are at this juncture as Church. How are we at this present time, post-referendum, post-diocesan changes, post-papal visit, post-World Meeting of Families? **Where are we regarding faith, belief, prayer, spirituality? How do we feel at this point in time? What direction are we going? Where can we find God in all that's happening?** After an opening prayer and a brief introduction there will be an opportunity for discussion, opinion, sharing and conversation. **All are welcome to attend**. The gatherings are not intended to discuss Church Structures. We have had many such gatherings already to do that. It is more about how we are as a faith community in the light of the eventful year we have just had.

No statement says all that could be said.

No prayer fully expresses our faith.

No confession brings perfection.

No pastoral visit brings wholeness.

No programme accomplishes the church’s mission.

No set of goals and objectives includes everything.

This is what we are about:

We plant seeds that will one day grow.

We water seeds already planted, knowing that they hold future promise.

We lay foundations that will need further development.

We provide yeast that produces effects beyond our capabilities.

(Part of Prayer of Oscar Romero)
