- > Social distancing when appropriate;
- > Cover our coughs and sneezes
- > Keep our hands clean.

A suggestion for Lent

As we focus on **prayer, fasting** and **alms giving** this Lent, our hearts go out to the people of Ukraine. Speaking this week Archbishop Eamonn Martin said; "Our Lenten journey this year begins as we watch the distressing and frightening scenes from Ukraine. Our hearts and prayers go out to the people of Ukraine. We can never take peace for granted. We must always work for peace, pray for peace and make sacrifices for peace. All of us have the capacity to build peace by our words, our actions and our attitudes to others. We choose to sow peace or conflict, love or hate, to build up, or to tear down, to heal or to hurt, to forgive or to resent, to soothe or to inflame. Pope Francis has invited us all to unite in prayer and fasting for peace on Ash Wednesday. I encourage the people of Ireland to join in this moment of prayer and solidarity with the people of Ukraine. I also ask that during the season of Lent that our acts of fasting, prayer and charity might keep in mind the people of Ukraine and all those in areas of conflict on our world."
