Mission Statement:

Kilmaley Daycare Centre provides a homely safe environment for the clients of Kilmaley and hinterland who attend daily. The staff aims to meet the physical, emotional, psychological and spiritual needs of the clients with dignity and respect. The management and staff liaise closely with the clients, their family and relevant Primary Care Team members when necessary to ensure that the clients are supported to maintain their independence and quality of life for as long as possible in their own community.

Kilmaley Daycare Centre offers:

We have a very helpful team of staff and volunteers who aim to support you and make your day out as enjoyable as possible.

Transport is provided to and from your home.

Tea/coffee and home made scones on arrival.

Hot lunch, hairdressing and chiropody services are available and are subsidised.

Opportunity to learn new skills.

Other activities taking place are art & craft, card playing, computer classes, light gardening, (funnel provided), bingo, gentle exercise programme, music, song & dance, stimulating and motivating exercises.

Information talks on a variety of subjects are given throughout the year.

How to access Kilmaley Daycare Centre

Contact Mary Íta Griffin, manager on: (065) 6839768—Monday to Thursday, 9.00 a.m.—5.00 p.m., or alternatively contact your G.P. or Public Health Nurse.

Kilmaley Housing Complex provides good quality, purpose built affordable accommodation supported by on-site Daycare / Health Centre services which allow residents to enjoy greater independence, security and peace of mind. There are twenty four houses situated adjacent to the Daycare / Health Centre.

The church, shop, post office, restaurant/fast food, and hostelry are easily accessible.

The aim of Kilmaley Voluntary Housing Association

To provide care and support when needed in a home environment.

The association proposes to increase support for residents especially at week-ends when the Daycare Centre is closed, in the form of Health Care Assistant and Nurse Manager.

The model of care will be independent living combined with supported care where needed. This offers you the privacy of your own home with the opportunity of support to live your life to the full.
