Assumption of Mary

May you realize all that God has done in your life and may you continue to give glory and praise to God both in word and by the way you live your life!
Almighty God has done great things for us, both individually and communally. We sometimes fail to realise all that God has done, is doing, and will continue to do. Through the life, ministry, death, resurrection, and ascension of Jesus, the Son of God, we have been reconciled to His Abba-Father, and are invited to share in God's eternal Reign in heaven. All we need do is to say, as Mary said, "Fiat Voluntas Tua" - "Let Your Will Be Done." Today we celebrate that Mary responded to God's call and received all the blessings that her Son brought to humanity by His incarnation and salvific actions. She rightfully takes her place in the Reign of Heaven because she allowed God to work mightily in her life and she gave the glory back to God in her living out God's will.
