DAY FOR LIFE 2023

'Listen to Her'

This year's Day for Life focuses on post-abortion trauma and the impact of abortion primarily on women, but also men and others.

It tells of her journey towards healing. The hope is that this will help people to listen, to understand and to respond with compassion. You can read the message in full on www.councilforlife.ie
Pope Francis has kindly sent a message of encouragement for all who participate in the Day for Life. The message is as follows:

"In listening to Mary, our Mother, and following her example, he invites us to discover our personal call from God who is the source of our existence, reminding us that, 'Each human being is called by God to enjoy the fullness of life; and, is entrusted to the maternal care of the Church. Every threat to human dignity and life cannot but have an effect on her heart, on her maternal "womb".

To defend life is not an ideology for the Church. It is a reality; a human reality which involves all Christians, precisely because they are Christian and because they are human'. (General Audience, 25 March 2020).

With these sentiments in mind, I assure all who participate in this year's Day for Life of Pope Francis' prayers, particularly for all expectant mothers and their families. Through the intercession of the Mother of God, the Holy Father cordially imparts his Apostolic Blessing to all participants and invokes an abundance of Divine graces."

Day for Life is celebrated this year on Sunday 18 June. The theme is 'Listen to Her' and focuses on the experience of one Catholic woman in the aftermath of abortion.
