TWELFTH SUNDAY IN ORDINARY TIME

Death and imprisonment for Christ are realities for many Christians even in these times. But we who live in more tolerant societies can be

frightened by the erosion of faith and the de-Christianising of values. To be a genuine Christian means standing apart at times. Christ calls us to take a stand, to be for him or else against. To live the Christian ideal in marriage and in business requires courage. Jesus says to all, "Be not afraid." And in the end he will stand up for those who are faithful.
