Second Sunday in Lent

Every so often, we catch a glimpse of the "something more" that Gos has in store for us. These fleeting experiences are to be treasured: the birth of my first child, falling in love, a sense of "being held" in God's presence. Such experiences may help us to approach the Transfiguration. Like all transcendent experiences, it is fleeting as yet it etches a memory and leaves a longing. What should we do? Practice listening to him. Be not afraid. We cannot always be "on the mountain" and yet what happens on the heights can help us on the lowlands of everyday.

DO THIS IN MEMORY PROGRAM.

We welcome the children from the parish who are preparing for First Holy Communion who are joining us for mass in Kilmaley this weekend.
