### IRISH SYNODAL PATHWAY:

In 2021, the Irish Catholic Bishops' Conference announced a new Synodal Pathway for the Catholic Church in Ireland leading to a National Synodal Assembly. Similar paths throughout the world fed into the recent Universal Synod on Synodality in Rome. The process focused on the question: **What does God want from the Church in Ireland at this time?** The website [www.synod.ie](http://www.synod.ie) provides information resourcing all of us as we continue our Synodal journey.
