We pray that our present seminarians and those discerning their vocations will use wisely the gift and talents with which the Lord has blessed them. Fr Iggy McCormack, Vocations Director, be speaking at masses next Sunday.

## Our Lord Jesus Christ King of the Universe

"King" is a foundational metaphor in the Bible, which in ordinary usage suggests power and glory. But even in the ancient biblical tradition, there are two great modifications,

according to Old Testament understanding, a king is meant to be a shepherd to his people, a true shepherd who cares for and who knows and even loves his sheep. According to the New testament, Jesus our king rules paradoxically through loving service, humility and the gift of himself. This example and teaching of Jesus has lost none of its power today.
