Message regarding the Referendums on March 8th

The Irish Episcopal Conference, in a statement,
highlights the issues raised by the upcoming referenda.
The full text of the statement is available at the doors.

The Importance of voting: Pope St John Paul II said in
Ireland back in 1979: "The family is the true measure of
the greatness of a nation". In a democracy that
guarantees the freedom to vote, it is important that
citizens cast their ballot on March 8th with matters of
such importance at stake. As pastors, concerned for the
common good as well as the moral and spiritual well-
being of God's People, we offer these reflections in order
to help inform the consciences of Christians and others
who are concerned to preserve and foster the dignity and
value of family life and motherhood.

Notices for Newsletter can be sent by email to
kilmaleyparish@gmail.com or drop them in the letterbox at

notices for parish and church related events. Where space
permits we also include notices for local not-for-profit groups.
