**Fourth Sunday of Easter
Good Shepherd Sunday**

The image before us in today's liturgy to describe the person and worth of Jesus among his disciples is that of a shepherd. The sight of a shepherd leading the sheep to pasture would be a familiar sight to Jesus' listeners. We are told that in the Holy Land shepherds lead the sheep rather than drive them. Two aspects of this are important.

Following someone involves a free choice, and to follow someone means to have confidence in their ability to lead.
