THIRD SUNDAY OF EASTER

The resurrection of the Lord dominates our celebration in these days of Eastertide. Today's liturgy provides an example of the transforming power of the resurrection. Peter's threefold confession of faith reverses his threefold denial of Jesus during the passion. Jesus' forgiveness of his disciple here is intended to assure disciples of every age of his forgiveness.

May is Safeguarding month

It is only fitting at this time to remind ourselves of Pope Francis vision, teaching and commitment to ensuring our Churches are a safe place for both children and Vulnerable adults. *"Safeguarding. Our generation must show that it can rise to the promise found in each [child and] young person when we know how to give them space. This means that we have to create the material and spiritual conditions for their full development, to give them a solid basis on which to build their lives; to guarantee their safety and their education to be everything they can be; to pass on to them lasting values that make life worth living; to give them a transcendent horizon for their thirst for authentic happiness and their creativity for the good; to give them the legacy of a world worthy of human life; and to awaken in them their greatest potential as builders of their own destiny, sharing responsibility for the future of everyone. If we can do all this today, we anticipate the future that enters the world through the window of the young".*

Pope Francis (2013).
