HAPPY EASTER

May you continue to experience what a
relationship with GOD is all about as
you celebrate the new life that comes
from the Risen Lord Jesus.

I continue to be awestruck by the way
GOD works. Nothing happens without
GOD's allowing it. There is no such
thing as luck. We are not lucky to have
life. It is providential - GOD continuing to provide for
us. GOD can even make the worst possible situations
turn into blessings. What could be worse than the death
of the Son of GOD on a cross? Yet, from the tomb in
which the crucified Jesus was laid, new life has
come. Jesus is alive in His glorified body. He has
conquered not only sin and death, He has made it
possible for us to share a renewed relationship with the
GOD Who has created us. And this new relationship is
eternal. Let us continue to rejoice and celebrate. Jesus is
alive. We are saved. Alleluia!
