Day for Life Sunday is celebrated annually with a special message by the Catholic Church across Ireland, Scotland, England and Wales. It is a day specifically dedicated to raising awareness and reflecting on the deep value and meaning of human life at every stage, and in every condition. On Sunday, June 16, the Church will mark Day for Life 2024 with a message on the theme:

**The Lord is my shepherd - Compassion and Hope at the End of Life.**

This year's message reminds us that Jesus did not send the sick away, rather He showed that life always has dignity and that there is no such a thing as a useless life. Catholics are called to defend this gift of life to its natural end and to protect vulnerable citizens from a culture that could pressure them into assisted suicide. In this way, we are encouraged to support people with the companionship of a listening ear, appropriate treatment, and the best of care, so that their last days can be times of grace, intimacy and love.

**EUCCHARISTIC ADORATION** continues each Tuesday  
from 2 to 8pm in Kilmaley Church.
